Docket #92-235

Gentlemen:

As Fire Chief of Bartlesville, Oklahoma I wish to register a strong objection to your proposed replacement of Part 90 by Part 88 to revise Private Land Mobile Radio services and modify the policy governing them.

Our Department uses Mobile and Hand-held radios. Replacement of these units as required by the proposed rule change would require an exorbitant outlay of money which the city government can ill afford.

In view of the above we respectfully request that you forego the proposed rule change and seek a more favorable solution.

Orville L. Harrington
